

FACULTY POSITIONS IN ECONOMICS

The Faculty of Engineering and Sciences of Universidad Adolfo Ibáñez has great pleasure in inviting applicants for up to two an open rank faculty positions in **economics** due to start no later than August 1st, 2021.

The Faculty of Engineering and Sciences (FES) of Universidad Adolfo Ibáñez (UAI)

UAI is a prestigious private university in Chile. Founded as a business school in 1953, in 1988 it started operating as a university. At present, it has 12,400 students in 8 different schools located in two campuses: one in Santiago, the capital city of Chile, and the other in the coastal city of Viña del Mar.

The FES is one of the leading schools of engineering in Chile, and it has experienced a rapid growth over the last 10 years. It has about 4,000 students and more than 100 full-time professors. offering 7 undergraduate engineering degrees, in addition to MSc and PhD programs. The FES offers 7 undergraduate engineering degrees, in addition to its M.Sc. and Ph.D. programs. Research in the FES is based in a number of research groups. In particular, the *FES Group in Economics* is part of the core research groupings which allow Faculty members with similar interests to meet regularly and to support each other's research.

The FES brings together an open-minded community of scholars combining theoretical, innovative and applied research, expecting to advance the frontier of knowledge. The FES sustainable development goals and its strategic plan are available at <https://ingenieria.uai.cl/plan-fic/>

Job description

The *FES Group in Economics* invites applications for up to two open-rank positions economics. Applicants in all fields of Microeconomics will be considered. Preference will be given to applicants with a focus on Industrial Organization, Microeconomic Theory or Market Design. We especially welcome also applications from candidates with significant empirical background as long as their work advances innovative methodologies to bring models to the data. The successful candidate must have a strong record of, and potential for, excellence in research, scholarly accomplishment and teaching.

Faculty members joining the FES Economics Group are expected to teach, in Spanish and/or English, undergraduate and graduate courses related to economics, supervise theses, conduct high quality research, publish in top international journals, submit research proposals to national, international and multinational funding organizations, work with students, faculty and staff from a wide range of social and cultural background, and participate in outreach activities.

The salary is commensurate with qualifications and experience. As a reference, a starting Assistant Professor should expect a monthly salary ranging between \$3.000.000 to \$4.000.000 CLP before taxes (US\$ 45.000 - US\$ 60.000 annual salary approximately). This salary does not include potential stipends from grants or research contracts.

Candidates need not be fluent in Spanish at the moment of applying. They must have excellent oral and written communication skills, a great aptitude for teamwork, and a strong commitment to high quality education and research. Applicants must have earned a PhD degree in Economics or a related discipline at the time of hiring.

At FES we believe that diversity broadens our research scope and enhances the quality of our education, so we encourage women, international scholars, and minorities to apply for this position.

How to Apply

Applicants must submit their application online via Econ Job Market (<http://econjobmarket.org/>). The review of applications will begin **November 26, 2020** and will continue until the positions are filled. Applications submitted by November 15th deadline will receive first consideration. The application must contain the following:

1. A letter of application;
2. a curriculum vitae;
3. a statement of research interests;
4. results of teaching evaluations (or equivalent evidence, such as a teaching dossier);
5. a minimum of three letters of reference.

Interviews will be conducted virtually starting **January 3, 2021**.
